Miami University
Oxford, Ohio
(2000-2004)
Bachelor of Fine Arts

FREELANCE WEB DEVELOPMENT — 2021–present

Build and maintain custom WordPress sites, including multilingual builds and custom themes; train clients to manage their own sites independently.

CROWDSTRIKE, INC. — Senior Web Developer — 2014–2020

Led front-end development for a cybersecurity company's web presence, shaping interactive brand design and marketing strategy alongside engineering.

YARDI SYSTEMS — Web/UI Designer — 2011–2014

Designed responsive websites, UI, branding, and HTML email; built Bootstrap prototypes as a bridge between design and engineering.

BONQO.COM — Front-End/Web Designer — 2010–2011

Owned UI design, site maintenance, and front-end development; produced branding, blog design, and promotional material across web, print, Flash, and After Effects.

VENABLES BELL & PARTNERS — Interactive Designer — 2009–2010

Designed interactive work across major accounts — Audi, Intel, PG&E, Vizio — at the award-winning San Francisco ad agency.

LOS ANGELES BUSINESS JOURNAL — Production Associate — 2007–2009

Prepped ads and editorial content for print, built maps and paginated issues, and managed jobs through final printing.

SANTA BARBARA INDEPENDENT — Ad Production Designer — 2005–2007

Designed ads and promotional material working directly with sales reps and clients; managed classifieds design and pagination.
